

VEGAN VEGETARIAN– *Information note*

Products :	All products
Manufacturing locations :	All ROQUETTE production plants

ROQUETTE is a manufacturer of plant-based products. Our products are not of animal origin and do not contain any substances of animal origin.

According to the description above and to the best of our knowledge, ROQUETTE products can be considered as suitable for use in vegan products.

Products are considered suitable for vegetarians if they meet the requirements of vegan products with the difference that their production can include milk and dairy products, colostrum, eggs, honey, beeswax, propolis or wool grease, their components or derivatives.

According to the description above and to the best of our knowledge, ROQUETTE products can be considered as suitable for use in vegetarian products.

Application date: July 2020
